Beef Ribeyes (Whole, Boneless)

- ▶ **Individual Piece** (112ANR)

We have secured a great deal on North American no-roll beef ribeyes. We are selling these ribeyes whole, making them a great option for a holiday rib roast!

Dry-Aged Beef Patties (6 oz each, 12 lb case, frozen) (1BPDA6)

Dry-aged and ground in house at IRP, our hand selected dry-aged beef is blended with whole muscle chuck to create an exceptionally flavorful burger. Take advantage of this opportunity to serve a unique item that travels well for take-out.

Fresh Swordfish Loin (skin-on, boneless) (SSWFL)

This week we are sourcing our sword loins from Cherry Point, NC. We are only accepting "Markers" and "Double Markers" — swordfish that weight at least 100 lbs. Fish of this size will have acquired excellent fat and will have reproduced several times.
