

Mother's Day Buffet Features

In addition to our features below, ask your IRP sales consultant about mini desserts and other Brunch offerings that will set you apart this Mother's Day!

Beef

Baron Style Steamship of Beef, 45 lbs

Black Angus No Roll Ribeyes

South Dakota is ideally suited for raising Angus cattle. The processors know the quality of these animals is superior, and many elect to not pay the USDA the grading fee. This gives them a competitive advantage in the market place. These Angus Ribeyes are an ideal carving station addition. Available as a full case of 5 ribeyes and as a 2 piece case of Ribeyes.
