USDA Choice Beef Top Sirloin Steaks

- ▶ **Filet Style (4,5,6,7,8,9,10 oz available) (1TBG*F)**
- ▶ **Strip Style (5,6,7,8,9,10,12 oz available) (1TBG*S)**

The Top Sirloin continues to be one of the most underrated muscles in the animal. It provides consistent flavor and tenderness at a price not found in other "middle-meats." Its unique shape allows for a variety of great looking plate appearances, whether you choose to go with a "filet-style" or "strip-style" cut.

Beef Tenderloin Tail Steaks (10 lb case, frozen)

(189TSF)

These "tail steaks" are a natural by-product of our center-cut tenderloin filet mignon production. Applications are endless with this versatile and competitively priced product!

Mero Hawaiian Sea Bass Fillet (2-4 lb fillets, skin-on, boneless)

(SMFSO)

Harvested in the deep, cold waters between Hawaii and French Polynesia, Mero has a tremendous amount of fat content. Very similar taste and texture to Chilean Sea Bass at a great price point!

26/30 Ct Wild Mexican Shrimp (frozen, shell-on, 5 lb block)

(SZS2630W)

These wild Mexican shrimp are perfect for pasta, stir-fry, étouffée, gumbo, and casserole dishes.

Red Tobiko Caviar (1.1 oz container, frozen)

(SCAVTR)

The small roe of flying fish is slightly sweet in flavor with a mild smoky and salty overtone. Its bright red color is perfect for this festive time of year.
